

International Officer Election: International officer election forms will open on December 1st, 2017. These nomination forms are for you to put your name in the running for one of the International TEECA Officer Positions. This year for the nomination process, you will need to create a short “campaign” video to submit. Along with the video, there will be forms to fill out, two letters of recommendation and a one page resume to submit.

Stay tuned to next months TEECA Newsletter for personal summaries from each of your International Officers. These summaries will be brief explanations of what each position does and what our experiences have been like in the position. Hopefully by reading these summaries, you can get a feel for what position you would like to apply for!

Be on the lookout! In the upcoming month, we will be sending out a revised and updated version of bylaws. We will ask for chapters to read through them and then vote on them!
