

Welcome back to the academic school year! We hope that you are getting back into the swing of things. The national officer team has been working hard all Summer to ensure a successful and active TEECA year. Coming soon this year is a revamp of our website, revision of our national TEECA by-laws, and an exciting contest that each and every school can participate in. However, as with most competitions, there can only be one winner.

Design Contest!! This year we would like to have lapel pins available for sale at the national conference in Atlanta. In order to meet that goal, we need a great design and that is right where you come in. Send us a rockstar design at nationalteeca@gmail.com to secure a win for your school. As an added incentive, the school that earns the winning honor will receive pins for each of their members completely free.

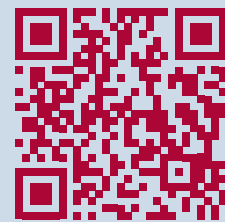

Rules and Notes

All designs must be sent in as a .pdf or .jpeg

Final submissions must be sent in by October 18th

Have fun and stay positive even if your design is not picked
