

Reminders and
Upcoming events
We are still accepting designs for the lapel pin design contest! Please keep in mind that they are due on the 18th of October! Also upcoming this month, we will be revising the national TEECA bylaws. The national officer team has also been hard at work on the revised website and the National Conference.

Good Luck to all members as you prepare for your regional TEECA conferences!

Design Contest!!
This year we would like to have lapel pins available for sale at the national conference in Atlanta. In order to meet that goal, we need a great design and that is right where you come in. Send us a rockstar design at nationalteeca@gmail.com to secure a win for your school. As an added incentive, the school that earns the winning honor will receive pins for each of their members completely free.

Rules and Notes
All designs must be sent in as a .pdf or .jpeg
Final submissions must be sent in by October 18th
Have fun and stay positive even if your design is not picked

Samantha Moorzitz

- What would you like to be in 10 years?
- Sam: I aspire to be a mom and teach that instills creative intelligence. I want to mold students based off of their successes and give them the tools they need to conquer their greatest challenges.
- Al: I hope to be teaching at the high school level in a rural/suburban area.
- What field of technology do you enjoy most?
- Sam: My favorite fields of technology are design, structures, and prototyping.
- Al: I enjoy robotics, especially robotics competitions.
- What is your favorite sport and team?
- Sam: My favorite sport is football and my favorite team is the New York Giants.
- Al: My favorite sport is formula one racing.
